## Profile

The Saxony Economic Development Corporation (WFS – Wirtschaftsförderung Sachsen GmbH) promotes Saxony as a business location and support potential investors from Germany and abroad in setting up a business in Saxony or expanding an existing one. The WFS also supports Saxony's companies in their export efforts and initiates cooperation with partners outside Saxony. We know and network!

## Business Field/Core Technology/Strength

## **SAXONY! - A favourite Europe technology hub**

Saxony sets business transactions in motion. Highly educated and motivated employees transfer innovative ideas into business and applications quickly in Europe's designated »Innovation Leader« region. From DHL's European Air Hub in Leipzig, all kinds of products are shipped to any point on the globe around the clock. And when taking a break from work, Germany's No. 1 cultural destination provides multifaceted moments of recreation and most beautiful outdoor locations.
